"Creating the Utah Geospatial Infrastructure"

April 21-25, 2008

Festival Hall in Downtown Cedar City (where? )

Join us in Southern Utah this spring to share your latest successes, learn new skills, connect with the industry, and meet your friends in the Utah GIS community. A special focus this year will be on discussing the strategic plan being developed for the Utah Geospatial Infrastructure, and the roles each of us can play in making the most of geographic information in Utah.

- Call for Presentations
- Call for Posters
- Registration (Now OPEN)

As always, it's work and fun in one package:

- Hands-on software training
- Extended workshops
- Presentations by you and your fellow professionals
- Panels to discuss important issues
- Interest groups
- Social and outdoors activities

Stay at the Town & Country Inn (across the street) (where ?) for special conference rates!
